City Council, City Manager
415 North Market
Maryville, MO 64468

Dear City Council and Citizens of Maryville;

It is my pleasure as Executive Director of the Greater Maryville Chamber of Commerce to submit a letter of support on behalf of the Chamber of Commerce Board of Directors for the April 4th ballot proposition for the renewal of the Capital Improvement Tax. The proposed ballot opportunity includes a variety of components that will greatly improve Maryville's many assets.

As a group we understand the continued need for the ½ cent sales tax to expand on the already successful developments such as the six community trails that have been completed since 2008. We also look forward to the great improvements that the renewal would contribute to, such as the new Public Safety facility that our law enforcement and fire department deserve, and the many other projects that the City of Maryville plan to undertake.

The Board of Directors of the Greater Maryville Chamber of Commerce thanks you for your consideration and would appreciate your support by saying yes to the renewal of the Capital Improvement Sales Tax.

Sincerely,

Lily E. White
Executive Director
Greater Maryville Chamber of Commerce
